

To whom it may concern, Freshers, Graduates and Professionals

Dear Customer,

CV-Centre proud to offer you:

- *Have you ever been in situation when there is a need for a good CV?*
- *Have you faced a time-restriction, professional advice or just want to have a fresh look preparing documentation pack?*
- *Why not to start with something necessary and not expensive?*
- *Do not hesitate and do it right now! It is simply – just submit desired service*
- *We will be contacting you shortly to discuss your order offering attractive discounts!*
- *We believe you will be highly satisfied with our services!*

About our services:

This service designed for those who want to get the best results no matter who they are – fresher, graduate or professional who want to prove to the university or employer that he or she is the only person they need right here and right now.

At this point, we understand a need of well-structured and well-prepared documentation pack (CV, covering letters, recommendations, etc.), which will be able to explain how strong, well-educated and motivated you are.

You might ask:

There are plenty of CV agencies, why should I choose exactly your services?

Our answer is simple:

We are experts in educational and professional placements for the last 16 years! Our headquarters located in United Kingdom which all benefit us from the latest tendencies and major news in the educational services!

Standards of our services:

Our highly trained consultants will be happy to advice and assist you through all the stages of making all necessary documentation.

We are working with Educational placements Ltd. platform which does mean secure transaction and payment services 24/7/365

Attractive discounts:

You as a customer get special prices and discounts (up to 30%) at the time we receive an order. Please find an enclosed Price list.
